THE THANKSGIVING LEARNING CHALLENGE

A little holiday fun for curious minds • Choose any 5 challenges, or try them all!

Name: _____ **Date:** _____ **Score:** ____ / 10

1. PIE MATH

A pie is cut into 8 equal slices. Your family eats 5. What fraction is left? **Answer:** _____

2. RECIPE RESIZE

A recipe needs 2 cups of flour. You make half the recipe. How much flour do you need? **Answer:** _____

3. THANKFUL WORDS

Write three things you are grateful for. Use one vivid adjective in each sentence.

4. TURKEY TALE

Write a 3-sentence story that begins: “The turkey had a plan…”

5. HARVEST GEOGRAPHY

Name one country outside the United States with a harvest celebration. What is the celebration called?

6. KITCHEN SCIENCE

Why might an apple slice turn brown after it is cut? What could slow the browning?

7. HISTORY DETECTIVE

The 1621 harvest gathering at Plymouth involved English colonists and Wampanoag people. Write one question you would ask to learn more about the Wampanoag perspective.

8. SMART SHOPPER

Your ingredients cost $18, $7, and $9. You pay with $40. How much change should you get? **Answer:** $_____

9. DESIGN A FLOAT

Sketch a Thanksgiving parade float below. Label two geometric shapes you used.

10. FAMILY TRIVIA MAKER

Write one Thanksgiving, science, history, or math question to ask your family. Add the answer on the line.

FLOAT DESIGN SKETCH

One new thing I learned:

_____

One skill I practiced:

_____

_____

Family Focused Tutors • Learning can happen anywhere. Have fun, be curious, and enjoy the holiday!
